What if a quorum is not present at the Annual Meeting?

If a quorum is not present at the scheduled time of the Annual Meeting, then Mr. Mathews, our Chairman of the Board, is authorized to adjourn the annual meeting until a quorum is present or represented.

What is "householding" and how does it affect me?

Record holders who have the same address and last name will receive only one copy of their proxy materials, unless we are notified that one or more of these record holders wishes to continue receiving individual copies. This procedure will reduce our printing costs and postage fees. Shareholders who participate in householding will continue to receive separate proxy cards.

If you are eligible for householding, but you and other record holders with whom you share an address, receive multiple copies of these proxy materials, or if you hold Aspen stock in more than one account, and in either case you wish to receive only a single copy of each of these documents for your household, please contact our Corporate Secretary at Aspen Group, Inc., 224 West 30th Street, Suite 604, New York, New York 10001, (914) 906-9159.

If you participate in householding and wish to receive a separate copy of these proxy materials, or if you do not wish to continue to participate in householding and prefer to receive separate copies of these documents in the future, please contact our Corporate Secretary as indicated above. Beneficial owners can request information about householding from their brokers, banks or other holders of record.

Committees of the Board of Directors

Audit Committee

The Audit Committee, which currently consists of Sanford Rich, C. James Jensen and David Pasi, reviews Aspen's financial reporting process on behalf of the Board and administers our engagement of the independent registered public accounting firm. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of its examinations, the evaluations of our internal controls, and the overall quality of our financial reporting. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls.

Audit Committee Financial Expert

Our Board has determined that Mr. Sanford Rich is qualified as an Audit Committee Financial Expert, as that term is defined by the rules of the SEC and in compliance with the Sarbanes-Oxley Act of 2002.

Compensation Committee

The function of the Committee is to determine the compensation of our executive officers. The Committee has the power to set performance targets for determining periodic bonuses payable to executive officers and may review and make recommendations with respect to shareholder proposals related to compensation matters. Additionally, the Committee is responsible for administering the 2012 Equity Incentive Plan, which we refer to as the "Plan."

Compensation Committee Interlocks and Insider Participation

During fiscal 2014, Messrs. Jensen, Scheibelhoffer and Schneier served as the members of our Compensation Committee. None of our executive officers serve, or in the past has served, as a member of the Board of Directors.

On April 10, 2012, Higher Education Management Group, Inc., or HEMG, and its president, Patrick Spada, or Spada, Aspen Group and one other person entered into an agreement, which we refer to as the "April Agreement" under which HEMG sold 400,000 shares of common stock of Aspen Group for \$200,000 to individuals who were not executive officers or directors of Aspen Group. In connection with the April Agreement, Aspen Group guaranteed that it would purchase 600,000 shares at \$0.50 per share within 90 days of the April Agreement and agreed to use its best efforts to purchase an additional 1,400,000 shares of common stock at \$0.50 per share within 180 days from the date of the April Agreement. A group of predominately existing shareholders purchased 336,000 shares of common stock at \$0.50 per share and Aspen Group purchased 264,000 shares at \$0.50 per share. Aspen Group purchased the shares after the 90 day period had expired; Spada cashed the check without reserving his rights or protesting the illegality of the transaction.

Director Compensation

We do not pay cash compensation to our directors for service on our Board and our employees do not receive compensation for serving as members of our Board. Directors are reimbursed for reasonable expenses incurred in attending meetings and carrying out duties as board and committee members. Under the Plan, our non-employee directors receive grants of stock options as compensation for their services on our Board, as described above. Because we do not pay compensation to employee directors, Mr. Michael Mathews was not compensated for his service as a director and is omitted from the following table.

Fiscal 2014 Director Compensation

Name (a)	Option Awards \$(d)(1)(2)	Total \$(j)
Michael D'Anton	5,0 P	

As of August 31, 2012, Mr. Mathews agreed to reduce his base salary to \$100,000 per year for the remainder of 2012. In consideration for reducing his salary, Mr. Mathews was granted 166,666 five-year stock options. These stock options were exercisable at \$0.35 per share and have vested.

On September 4, 2012, our Board granted Mr. Mathews up to 2,900,000 five-year options exercisable at \$0.35 per share (vesting annually over a four-year period with the first vesting date being one-year from the grant date).

Effective May 16, 2013, Aspen Group and Mr. Mathews entered into a three-year Employment Agreement. In accordance with the Employment Agreement, Mr. Mathews will receive a base salary of \$250,000 per year; however, his base salary will be \$100,000 per year until the Compensation Committee determines that Aspen Group's cash position permits an increase to \$250,000 a year. In contrast to his old Employment Agreement described above, the amended Employment Agreement does not include any guaranteed annual bonuses. As of the record date, Mr. Mathews' base salary continues to be \$100,000 per year.

All of the stock options described under the Summary Compensation Table have been re-priced to \$0.19 per share.

In addition to his base salary, Mr. Mathews is eligible to earn an annual performance bonus equal to 25%, 50% or 100% of his then base salary which we refer to as the "Target Bonus," based upon the achievement of performance milestones established by the Compensation Committee at the beginning of each fiscal year. The earning of the Target Bonus is subject to Aspen Group having at least \$2,000,000 in available cash after deducting both target bonuses for that fiscal year which we refer to as the "Cash Threshold." If Aspen Group is unable to pay the target bonuses as a result of not meeting the Cash Threshold, Mr. Mathews shall be entitled to receive the Target Bonus in Aspen Group's common stock if Aspen Group had positive Adjusted Earnings Before Interest Taxes Depreciation and Amortization, which we refer to as "Adjusted EBITDA Threshold," during the applicable fiscal year. If Aspen Group is unable to pay the Target Bonus as a result of not meeting the Cash Threshold or the Adjusted EBITDA Threshold, no Target Bonus will be earned for that fiscal year. Further, if no target performance goals are established within three months of the beginning of a fiscal year, no Target Bonus can be earned for that fiscal year. There were no target performance goals established for fiscal 2015.

Gerard Wendolowski. Mr. Wendolowski receives \$175,000 under an oral employment arrangement

Janet Gill. Ms. Gill receives \$150,000 under an oral employment arrangement

Termination Provisions

Under his Employment Agreement, Mr. Mathews is entitled to severance payments. All of the termination provisions are intended to comply with Section 409A of the Internal Revenue Code of 1986, or the Code, and the Regulations thereunder. In the event of death, total disability, dismissal without cause or resignation for Good Reason, he will receive six months base salary and immediate vesting of unvested equity. Immediately upon a change of control event, he will receive 18 months base salary and immediate vesting of unvested equity. Change of control is defined in their Employment Agreements as Change of Control is defined under 409A of the Code. Generally, Good Reason is defined as a material diminution in the executives' authority, duties or responsibilities due to no fault of his own (unless he has agreed to such diminution); or (ii) any other action or inaction that constitutes a material breach by Aspen Group under the Employment Agreement or (iii) a relocation of his principal place of employment to a location which is not pre-approved by him.

PROPOSAL 3. APPROVAL AND RATIFICATION OF THE 2012 EQUITY INCENTIVE PLAN

Our Board has adopted a resolution declaring it advisable and in the best interests of A spen and its shareholders that the Plan and awards granted under the Plan be ratified and approved by shareholders. The resolution also recommends that the Plan and the awards granted under the Plan be ratified and approved by A spen's shareholders and directs that such proposal be submitted to A spen's shareholders at the ~~Annual~~ Meeting.

The Plan is a broad-based plan in which all employees, consultants, officers, directors and director advisors of A spen and its subsidiaries are eligible to participate. The purpose of the Plan is to further the growth and development of A spen by providing, through ownership of stock of A spen and other equity-based awards, an incentive to its officers and other key employees and consultants who are in a position to contribute materially to the prosperity of A spen, to increase such persons' interests in A spen's welfare, by encouraging them to continue their services to A spen, and by enabling A spen to attract individuals of outstanding ability to become employees, consultants, officers, directors and director advisors of A spen.

In the following paragraphs we provide a summary of the terms of the Plan. The following summary is qualified in its entirety by the provisions of the Plan which is attached at Annex B to this Proxy Statement. ~~§~~ ~~achededede~~ ~~is~~ ~~qualent~~ ~~§~~ ~~hnxu~~ ~~áplan~~ ~~rovvr~~ ~~bwe~~ ~~ulact~~ ~~s~~ ~~c~~

Stock Appreciation Rights

A SA R entitles the holder to receive, as designated by the Administrator, cash or shares of common stock, value equal to the excess of the fair market value of a specified number of shares of common stock at the time of exercise over the exercise price established by the Administrator.

The exercise price of each SA R granted under the Plan shall be established by the Administrator or shall be determined by method established by the Administrator at the time the SA R is granted, provided the exercise price shall not be less than 100% of the fair market value of a share of common stock on the date of the grant of the SA R, or such higher price as is established by the Administrator. Shares of common stock delivered pursuant to the exercise of a SA R shall be subject to such conditions, restrictions and contingencies as the Administrator may establish in the applicable SA R agreement or document, if any.

Restricted Stock Awards

A restricted stock award gives the recipient a stock award subject to restriction on sale. The Administrator determines the terms and conditions of restricted stock awards, including the number of shares of restricted stock granted, and conditions for vesting that must be satisfied, which may be based principally or solely on continued provision of services, and also may include a performance-based component. Unless otherwise provided in the award agreement, the holder of a restricted stock award generally will have the rights of a shareholder from the date of grant of the award, including the right to vote the shares of common stock and the right to receive cash dividends and share and property distributions on the shares.

Restricted Stock Unit

A restricted stock unit gives the recipient the right to receive a number of shares of our common stock on the applicable vesting or other dates. Delivery of the restricted stock unit may be deferred beyond vesting as determined by the Administrator. The Administrator determines the terms and conditions of restricted stock units, including the number of units granted, and conditions for vesting that must be satisfied, which may be based principally or solely on continued provision of services, and also may include a performance-based component. The holder of a restricted stock unit award will not have voting rights with respect to the award and possess no incidents of ownership with respect to the underlying common stock.

Term, Termination and Amendment

The Board may terminate the Plan at any time. Unless sooner terminated, the Plan shall terminate in March 2022. No award may be granted under the Plan once it is terminated. Termination of the Plan shall not impair rights or obligations under any award granted while the Plan is in effect, except with the written consent of the grantee. The Board at any time, and from time to time, may amend the Plan. Provided, however, no amendment shall be affected unless approved by our shareholders to the extent that shareholder approval is necessary to satisfy the requirements of Section 422 of the Code or required by the rules of the principal national securities exchange or trading market upon which our common stock trades.

The Board at any time, and from time to time, may amend the terms of any one or more awards; provided, however, that the rights under the award shall not be impaired by any such amendment, except with the written consent of the grantee.

The number of shares with respect to which options or stock awards may be granted under the Plan, the number of shares covered by each outstanding option or SA R, and the purchase price per share shall be adjusted for any increase or decrease in the number of issued shares resulting from a recapitalization, reorganization, merger, consolidation, exchange of shares, stock dividend, stock split, reverse stock split or other subdivision or consolidation of shares.

Forfeiture

All vested or unvested stock rights are immediately forfeited at the option of the Board in the event that the recipient performs certain acts against the interests of Aspen including termination as a result of fraud, dishonesty or violation of Aspen policy.

Adjustments upon Changes in Capitalization

The number of shares of common stock covered by each outstanding stock right, and the number of shares of common stock which have been authorized for issuance under the Plan as well as the price per share of common stock (or cash, as applicable) covered by each such outstanding option or SAR, shall be proportionately adjusted for any increases or decrease in the number of issued shares of common stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification, or any other increase or decrease in the number of issued shares of common stock effected without receipt of consideration by the Company. Such adjustment shall be made by the Administrator.

Federal Income Tax Consequences

The following is a brief summary of the principal U.S. federal income tax consequences with respect to awards granted under the Plan.

Restricted Stock Awards

The recipient of a restricted stock award does not have taxable income upon receipt of the award. When the restricted stock award is vested, the recipient will recognize ordinary income in an amount equal to the difference of the fair market value of the shares on the date of vesting and the amount paid for such restricted stock, if any.

Upon the vesting of a restricted stock award, A spen will be entitled to a corresponding income tax deduction in the tax year in which the restricted stock award vested.

The recipient may, however, elect under Section 83(b) of the Code to include as ordinary income in the year the shares are granted an amount equal to the excess of (i) the fair market value of the shares on the date of issuance, over (ii) the purchase price, if any, paid for the shares. If the Section 83(b) election is made, the recipient will not realize any additional taxable income when the shares become vested.

Incentive Stock Options

The recipient does not recognize any taxable income as a result of the grant or exercise of an ISO qualifying under Section 422 of the Code. However, the exercise of an ISO may increase the recipient's alternative minimum tax liability.

If a recipient holds stock acquired through the exercise of an ISO for more than two years from the date on which the stock option was granted and more than one year after the date the stock option was exercised, any gain or loss on a disposition of those shares, or a qualifying disposition, will be a long-term capital gain or loss. Upon such a qualifying disposition, A spen will not be entitled to any income tax deduction.

Generally, if the recipient disposes of the stock before the expiration of either of those holding periods, or a disqualifying disposition, then at the time of such disqualifying disposition the recipient will recognize ordinary income equal to the lesser of (i) the excess of the stock's fair market value on the date of exercise over the exercise price, or (ii) the recipient's actual gain, if any, on the purchase and sale. Any additional gain recognized by the recipient upon the disposition will be long-term or short-term capital gain or loss, depending on whether the stock was held for more than one year.

To the extent the recipient recognizes ordinary income by reason of a disqualifying disposition, generally we will be entitled to a corresponding income tax deduction in the tax year in which the disqualifying disposition occurs. those f any, on tr

Non-Qualified Stock Options

The recipient does not recognize any taxable income as a result of a grant of a non-qualified stock option. Upon exercise of a non-qualified stock option, the recipient will recognize ordinary income equal to the excess of the fair market value of the shares over the exercise price.
